Full Time:	40hrs / wk
Start Date:	February 2019
Compensation:	Depends on experience
Benefits:	Health insurance, vacation and holiday pay

Manson-Hing Architects Inc. is seeking an **Architectural Designer / Draftsperson** to join our compact but highly efficient studio. We are a well-established architecture and planning firm in Santa Barbara with an emphasis on collaborative design and production. Our work covers a diverse range of project types including custom residential, commercial and planning services.

Responsibilities:

This position is best suited to a self-motivated and focused individual who is passionate about architectural design and production. As an Architectural Designer / Draftsperson, you will work directly with the project architect and take part in all aspects of project design and delivery. Responsibilities include but not limited to 3D modeling, CAD drafting, presentation graphics and documents, specifications and code compliance. You will also provide administrative support as needed in the office. We are looking for someone who would like to contribute their creative and administrative talents to the overall running of the firm. Successful candidate will be the main Revit designer and building information manager in our studio.

Desired Skills & Qualifications:

- Bachelor's or Master's Degree in Architecture
- 3-8 years of relevant experience in residential / commercial design
- Highly proficient in Revit and AutoCAD
- Proficient in Adobe Creative Suite including Photoshop, Indesign and Illustrator
- Proficient in MS Office programs including Word, Excel and Outlook
- Highly skilled at CAD drafting & Building Information Management
- Excellent design capabilities with exceptional attention to detail
- Excellent communication skills (verbal and written)
- Strong organizational and office administration skills
- Local applicants preferred

Application:

Please send your cover letter, resume and examples of your work in PDF format to contact@mansonhing.com, and insert "Resume" in the subject line.
